### ABOUT PRO SENIORS

Founded in 1975, Pro Seniors is a nonprofit organization dedicated to helping seniors maximize their independence and quality of life. We offer a range of no-cost legal assistance to help seniors understand and protect their legal rights and resolve their legal issues.

In 2020, more than

**1,000**  
matters were referred  
to HRAP members.

### HELPLINE REFERRAL ATTORNEY PANEL

Every year more than 6,000 Ohio seniors receive no-cost legal assistance through Pro Seniors' telephone Legal Helpline. If a senior's problem cannot be resolved by the Legal Helpline, we attempt to match the senior with a private attorney from our Helpline Referral Attorney Panel (HRAP) who will handle the matter.

*HRAP members agree to accept referrals for vetted clients who need more service than the brief counsel and advice that our telephone Legal Helpline can provide. Referrals cover a wide range of legal issues and are available on full, reduced, contingent and pro bono-fee basis.*

### We Need You

If you are looking for a way to give back while growing your practice, Pro Seniors' HRAP is for you! HRAP members play a key role in helping Pro Seniors bridge the justice gap for low-income Ohio seniors.

However, many HRAP referrals involve full-fee services. With demand for referrals far exceeding our current HRAP capacity, we are actively recruiting new HRAP members. To learn more about becoming a Pro Seniors' HRAP member, contact Dimity Orlet at (513) 458-5506 or

*"I have participated in the HRAP program for several years. The program has enhanced my practice with clients who have had interesting and challenging cases ranging from Medicaid representation to long term care insurance denials and evictions from nursing homes. Every client teaches me something, and gives me an opportunity to hopefully solve their legal issues."*
